UNIVERSITY

Your MySJSU Account

SJSU communicates by posting items to your "To Do List" in your MySJSU account or by sending messages to your MySJSU account. Sign in to your MySJSU account every few days and thoroughly read any messages, "To Do List" items or posted deadlines and take the requested action as soon as possible. We rarely post generic messages. If a message is posted to your account assume that it applies to you specifically. Even if someone else manages your account, you are responsible for meeting all deadlines.

If you have not signed in to your MySJSU account, do so immediately!

To access your MySJSU account:

1. Look for an email with your SJSU ID

Approximately one week after applying at CSUMentor, you should have received an email (sent to the email address listed on your application) with your nine-digit SJSU ID included. This nine-digit number will be your primary SJSU identification number while studying at San José State. Losing this number can be a problem, so put it in a safe but accessible place. Make sure the spam filters on your email account are set to accept email from @sjsu.edu.

2. Set the password to access your MySJSU student account and SJSUOne wireless account on campus

Go to <https://sjsuone.sjsu.edu/SJSUOne/ResetPassword> and enter the nine-digit SJSU ID you received in Step One.

Choose one of the two options listed to set your password for the first time. This same process will also allow you to reset your password.

3. Sign in to your MySJSU student account at <http://my.sjsu.edu>

Click on the blue "MySJSU Sign In" button and enter your nine-digit SJSU ID and the password you created in Step Two.

Make sure your personal information is up-to-date; your email address is critical! Be sure to set your filters to accept messages from the @sjsu.edu domain.

4. Check your MySJSU account

Check your MySJSU account at least once a week for important and timely notices, such as deadline requirements, fees posted, payment due dates, enrollment appointment time, and information regarding tests, transcripts or deadlines. You are responsible for monitoring your progress throughout the entire enrollment process, and you must take action by posted deadlines! Failure to do so will result in your application being withdrawn.

Lost SJSU ID or password?

You are responsible for keeping your MySJSU account current

SJSU has established a business practice whereby all payments apply to the oldest debt on your account. For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancellation.

Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university or its agent has the right to pursue collections in order to repay a delinquent debt owed to the university.

Placement Tests in Math and English

<http://testing.sjsu.edu>

All admitted freshmen **who are not exempt** are required by the California State University system to complete placement tests in both English and math **prior to enrolling in any courses**. These placement tests are called the English Placement Test (EPT) and the Entry Level Mathematics (ELM) exam. SJSU requires admitted freshmen who are not exempt to take the ELM and EPT by **Saturday, May 2, 2015**. You must register for the exam two weeks prior to the test date. To prepare for exams, visit the testing website at <http://testing.sjsu.edu>

Importance of exams

Be aware, the scores you earn on the EPT and ELM exam could cause you to be placed into mandatory remedial courses during your first year at SJSU. Since this can impact the length of time it will take you to earn your degree, we strongly recommend that you prepare for these exams.

Outside of California

If you plan to take the EPT and ELM exam outside of California, you must contact Educational Testing Services and make arrangements before Friday, April 3, 2015. After you take the exams, have your scores sent to SJSU as soon as they are available. There is an additional fee of \$75 (plus the regular \$18 testing fee per exam) for taking the exams outside of California. Learn more at <https://ept-elm.ets.org/CSU>

If you have special circumstances that prevent you from meeting this deadline contact the Testing Office as soon as possible at testing-office@sjsu.edu

Exemptions

You will be required to take the EPT and ELM if SJSU does not have official information from you that shows you meet one of the following exemption categories:

Test Type	EPT Exemptions	ELM Exemptions
SAT Reasoning	500 or higher on Critical Reading section	550 or higher on the Mathematics section
SAT Subject	Not Available	550 or higher on the Mathematics IC or ICC
American College Test (ACT)	22 or higher on the English section	23 or higher on the Mathematics section
Advance Placement (AP)	3 or higher on the Language and Composition or Literature and Composition	3 or higher on the Calculus AB or Calculus BC or Statistics
Early Assessment Program (EAP)	Level 4: Content-Ready/ Exempt Status	Level 4: Content-Ready/ Exempt Status
College Level Examination Program (CLEP)	50 or higher on the College Composition, or College Composition Modular test.	50 or higher on the Calculus, College Algebra, College Mathematics, or Pre-Calculus test
International Baccalaureate (IB)	4 or higher on English A1 HL	4 or higher on Math HL
General Education Breadth Requirement for Intersegmental Transfer Curriculum (IGETC)	Transfer credit for a college course satisfying GE Area A2 with a "C" or better	Transfer credit for a college course satisfying GE Area B4 with a "C" or better

To determine if you are exempt from taking the EPT and ELM exam, consult your status in Step Two of the Intent to Enroll process (<https://nextsteps.sjsu.edu>). If the exemption status displayed in your Next Steps account does not match your actual exemption status or the exemption status indicated by the Educational Testing Service (ETS), this means that SJSU does not have all of your official test scores or transfer course information on file. You must send us all official test scores and transferable college credits that prove your exemption status or we will require you to take the placement exams. If you still need to take one or both of these exams, register now!

Conditional Exemptions

You will be considered conditionally exempt if you have test scores as described in the chart below.

Test Type	EPT Conditional Exemptions	ELM Conditional Exemptions
SAT Reasoning	460-490 on the Critical Reading section	490-540 on the Mathematics section
SAT Subject	Not Available	490-540 on the Mathematics IC or ICC
American College Test (ACT)	19-21 on the English section	20-22 on the Mathematics section
Early Assessment Program (EAP)	Level 3: Conditionally Content-Ready/ Exempt Status	Level 3: Conditionally Content-Ready/ Exempt Status

Conditional Exemption was developed by the CSU to encourage students to take and pass approved math and English classes during their 12th grade year. The ultimate goal is to prevent students from taking unnecessary remedial courses.

A conditional exemption means you will not be required to take the EPT or ELM. However, if you do not pass an appropriate senior year course and report your final grade to SJSU prior to orientation, you will be placed into a remedial course for your first semester and you will also be required to participate in the Early Start Program during Summer 2015. Remedial courses do not count toward your degree and can therefore delay graduation. Due to this, SJSU recommends that students with conditional exemptions take the EPT and ELM. This way, if you score high enough on the EPT and ELM to place into college level English and math classes, you can avoid placement into remedial courses and participating in Early Start.

To earn a full exemption, which allows you to enroll directly in a college level English or math, you must pass the approved senior year course(s) with a C (not a C-) or better AND provide a final grade report for the appropriate course to the SJSU campus Director of Developmental Studies, Susan McClory.

To see which courses qualify conditionally exempt students for full exemption, visit:

<https://sites.google.com/site/developmentalstudiesatsjsu/2015-frosh-information/conditional-exemptions>

Department Placement Exams

Many new undergraduates in the Colleges of Science, Engineering, and Business need to take the Calculus Placement Exam prior to registration. For details, exemptions, and other criteria, visit sjsu.edu/math/calculus

To learn if you need to take a department placement exam, contact the department that oversees your degree program (major). View a listing of degree programs and their departments at <http://info.sjsu.edu/home/catalog.html>

Change of Major

Due to space limits in many SJSU departments, you may not change your major before the term starts. Note that change of major is never guaranteed.

Immunization

As a new student, you will need to provide proof of Measles and Hepatitis B immunizations prior to enrollment. If you don't have documentation, go to the SJSU Health Center to get your shots and proof of immunizations. Bring the forms to the Student Services Center or fax them to 408-924-2077.

Accessible Education Center (AEC)

The Accessible Education Center provides academically related services for students with disabilities. To qualify, students must register and create a confidential file with the AEC to receive a wide spectrum of services based on their own individual needs.

Services include, but are not limited to: Consideration for priority registration, note takers, readers, sign language interpreters/captioners, test accommodations, academic counseling, general education advising and hands-on training with adaptive technology. Students should provide the AEC with disability verification as soon as possible after applying to SJSU. It is important to make an appointment with the center at 408-924-6000 for review of specific needs prior to registering for classes.

Student Code of Conduct

Members of SJSU are expected to uphold the community standards and demonstrate academic integrity, accountability for one's actions, respect for oneself and one's community, and personal development. It is, therefore, important that students familiarize themselves with the Student Conduct Code and Academic Integrity Policy for which they are accountable. This information can be found in the SJSU university catalog, schedule of classes, and online at sjsu.edu/studentconduct/policies/

Student Responsibilities and Rights

As members of the academic community, students accept both the rights and responsibilities incumbent upon all members of the institution (S90-5). Students are encouraged to consult the Student Responsibilities and Rights (<http://info.sjsu.edu/web-dbgen/narr/static/catalog/studentrights.html>) section of the SJSU Catalog to ensure an understanding of the resources, requirements, and programs designed to support students' academic and personal growth, as well as review important university policies and procedures (<http://info.sjsu.edu/static/catalog/policies.html>) every student at SJSU is responsible for knowing and upholding.

Early Start Program

California State University mandates that first-year students with remedial requirements in math and English participate in the Early Start Program. Early Start allows students to begin working towards college readiness in the summer prior to their freshman year. It is intended to help them complete their remedial classes within the one year limit.

Early Start is required of all freshmen with an Entry Level Mathematics (ELM) exam score below 50 and an English Placement Test (EPT) score below 147, with some exceptions for out-of-state and

international students. For more information and for FAQs about the program, visit the SJSU Early Start website.

Financial Aid

sjsu.edu/faso

Where to Apply for Aid

If you have not already applied for Financial Aid, file a FAFSA or CA Dream Act Application by Monday, March 2, 2015 (fafsa.gov or caldreamact.org). Your financial aid file must be completed, with all requested documents on file by the Financial Aid Priority File Document Completion date, **Friday, May 29, 2015**, to receive a fee deferral and ensure timely processing of your award. Remember, you pay for any difference between your financial aid award and your actual fees.

Financial Aid Fee Deferrals

Financial Aid fee deferrals are temporary and are issued once all requested documents are submitted. Once a student has been approved for the fee deferral, they will see a "fee deferral" indicator on their MySJSU account. A financial aid fee deferral will hold classes and delay the payment of registration fees only while the financial aid process is completed. All financial aid fee deferrals will expire **Thursday, August 27, 2015**. At that time, fees must be paid by the set deadlines regardless of your financial aid status.

Financial Aid and Housing

Financial Aid students with a fee deferral should understand that the fee deferral is for enrollment fees only and does not apply to housing charges.

Housing Payment Extension

Financial Aid students may request an extension of their housing charges if they meet certain criteria. Housing extensions will only be approved for students who have a minimum of \$10,000 in financial aid (grants and accepted loans only, work study cannot be used and is excluded). This still may not be enough to cover all housing charges.

To find out if you qualify for a housing extension, call University Housing Services at 408-795-5600. Once a student has an approved housing extension, they will see a "housing extension" indicator on their MySJSU account and can be assured that housing fees are not currently due. If this indicator is not on the student MYSJSU account, all housing fees are due by the posted due date.

Housing Requirement for Freshmen

Freshmen who graduate from a high school located in a city outside a 30-mile radius of campus are required to live on campus their first year. Appeals for exceptions to the housing requirement will be reviewed after admission. The sooner you submit your completed license agreement and initial payment, the greater your chance of receiving your hall preference.

University Housing Services

We strive to provide supportive and affordable residential learning communities that promote academic success and individual development. Our living-learning communities help ease the transition to college life, serve as an extension of the classroom, and increase awareness of community responsibility. Located on the main San José State campus, the residence halls are just minutes from classes, the library, recreation and dining facilities, and downtown.

Within the residence halls, we offer a variety of communities to bring students together who have similar interests. Programming is designed around student interests and often has a component tied to a SJSU academic department. Students who live on campus have the opportunity to get involved in social gatherings, cultural events, intramural sports, community service, and a wide range of other campus activities.

The Freshman Housing Requirement Priority Application deadline is Friday, May 1, 2015. To apply for University Housing visit www.housing.sjsu.edu to download a housing application and submit the following:

1. A completed online University Housing application
2. A \$50 nonrefundable application fee
3. A \$600 initial payment

Room/Apartment Assignment

We encourage you to complete the application and submit payments as soon as possible. If you are a freshman required to live on campus, you must complete your online application (electronically signed license agreement and \$50 application fee) and submit the \$600 initial payment by Wednesday, April 1, 2015 to be included in the first round of housing assignments. Your room/apartment assignment will be made on a first-paid, first-served basis after April 1.

International House

The International House is a co-ed residence for 70 U.S. and international students attending San José State. SJSU I-House is located nearby campus and is a large comfortable home featuring friendly interaction among students of many cultures. Residents represent approximately 25 countries. In general, residents range in age from 17 to 35 years of age, study in a wide variety of programs offered on the SJSU campus, and enroll in graduate, undergraduate, and English language programs. As much as possible, roommates are matched according to compatible interests and personal habits. After the first semester at the International House, residents have the opportunity to choose a roommate and designate a preferred room.

I-House offers a one-semester contract and stays open year-round with per diem rates during summer and winter breaks. All furniture, utilities, TV, internet access and computer equipment, as well as use of a fully equipped kitchen, are included. Students interested in living in the I-House must send a separate application directly to the I-House. There is no application fee. Applications are available at sjsu.edu/ihouse

Residence at International House meets the freshman housing requirement.
