SJSU Overview

When you apply for admission to San José State, you are applying to join a unique community of individuals bound together by their shared creativity, passion and resilience: a community of Spartans!

As the founding campus of the California State University system, San José State has grown since its 1857 inception into a major metropolitan university offering 134 academic disciplines, from the classics to emerging fields. But SJSU offers students more than a degree, and our award-winning faculty members educate far beyond the classroom. Here, learning is put into action. Our faculty members are leaders in their fields. Undergraduate students have the opportunity to participate in groundbreaking research projects funded by organizations like NASA, the National Science Foundation and Intel. Established Silicon Valley partnerships and a vast, global alumni network provide you access to internships and job opportunities with some of the world's foremost companies. For those of you whose ambitions align with the region's legendary entrepreneurial spirit, campus programs like the Silicon Valley Innovation Challenge nurture ingenuity and support budding businesses.

San José State is proud to have a long legacy of social and civic engagement. This spirit, along with a focus on service-learning and an international student body, helps prepare students to be responsible global citizens. Responsible citizens also know how to have fun: Division I athletics and nearly 400 student organizations—from art to archery—connect you to thriving student life on campus and beyond. From our home in bustling downtown San José, you have access to all that Northern California has to offer, from Santa Cruz's famous beach breaks to the majesty of Yosemite National Park and San Francisco's Golden Gate.

At San José State, Spartans believe that dreams are achieved through hard work and imagination. When you become a Spartan, you are giving yourself an opportunity to discover who you want to be and how you want to change the world—for yourself, your family and your community.

Stay Committed to the Process (Read Everything)

There are consequences if you miss deadlines

Deadlines are very important and in place to help guide you through the admissions process. You risk having your admission withdrawn if you do not meet our deadlines and maintain your eligibility. Once you are admitted, sign in to your MyJSU account every few days and read all messages. Take action immediately regarding any “to-do” list items, or posted deadlines. A message is posted to your account only when it applies specifically to you.

Take responsibility

- Monitor your own status
- Meet deadlines
- Attend orientation
- Pay bills on time

These items are all part of accepting responsibility for your own success.

MySJSU Account

SJSU communicates by posting items on a “to-do” list posted to your MySJSU account or by sending messages to your MySJSU account. Be sure to check your MySJSU account at least once a week for important notices. Even if someone else manages your account, you are responsible for meeting all deadlines. If you have not signed in to your MySJSU account, do so immediately!

To access your MySJSU account:

1

Look for an email with your SJSU ID

Approximately one week after applying at CSUMentor, you should have received an email (sent to the email address listed on your application) with your nine-digit SJSU ID included. This nine-digit number will be your primary SJSU identification number while studying at San José State. Keep this number (also called “ID” or “Student ID number”). Losing this number can be a problem, so put it in a safe but accessible place. Make sure the spam filters on your email account are set to accept email from @sjsu.edu

2

Set the password to access your MySJSU student account and SJSUOne wireless account on campus

Go to <https://sjsuone.sjsu.edu/SJSUOne/ResetPassword> and enter the nine-digit SJSU ID you received in Step 1.

Choose one of the two options listed to set your password for the first time. Use this same process if you need to reset your password.

3

Sign in to your MySJSU student account at <http://my.sjsu.edu>

Click on the blue “MySJSU Sign In” button and enter your nine-digit SJSU ID and the password you created in Step 2. Make sure your personal information is up-to-date; your email address is critical!

Confirm your email address and update if necessary. Be sure to set your filters to accept messages from the @sjsu.edu domain.

4

Check your MySJSU account frequently

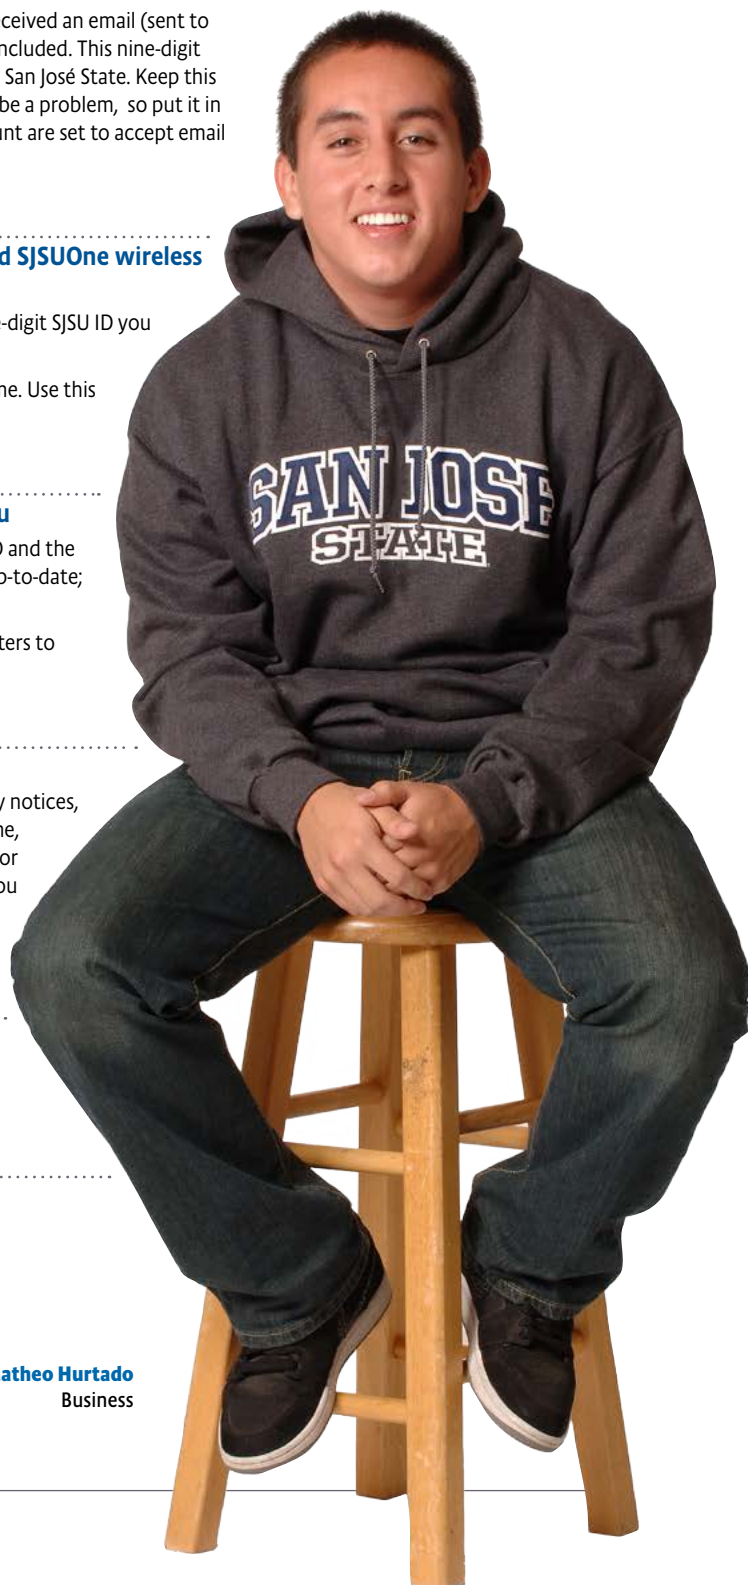

Check your MySJSU account at least once a week for important and timely notices, such as deadline requirements, fees incurred, enrollment appointment time, information regarding tests, transcripts or deadlines. You are responsible for monitoring your own progress throughout the enrollment process, and you must take action by posted deadlines! Failure to do so will result in your application being withdrawn.

Intent to Enroll Steps

For Spring 2015, you must complete the multi-step Intent to Enroll process by 11:59 pm (Pacific Standard Time) on Saturday, November 15, 2014 or your admission will be withdrawn. If you anticipate having any problems completing the necessary steps outlined here by the stated deadlines, contact nextsteps@sjsu.edu immediately!

You must complete the multi-step intent to enroll process by Saturday, November 15.

STEP 1 of 4 Submit your Intent to Enroll

1. Go to <https://nextsteps.sjsu.edu/spring>

You will need the following information to complete the online process

Your nine-digit SJSU ID (on your Letter of Admission)

- And -

PIN, which is your birth date (month/day). Example: January 21 is 0121.

2. Tell us your plans

YES - I intend to enroll at SJSU for the Spring 2015 semester. Your admission is good only for this term. You may not defer your enrollment to a later semester. You are not done! You must complete the rest of the steps.

- OR -

NO - I will not attend SJSU for the Spring 2015 semester.

Your application will be withdrawn from further consideration.

STEP 2 of 4 Sign up for required placement exams

If required, you must complete the Entry Level Mathematics (ELM) test and the English Placement Test (EPT) at SJSU no later than Friday, January 9, 2015. (Information on exemptions for these tests can be found in the placement test section of this brochure). You must register for the exams at least two weeks prior to this date. Space is limited so sign up early. Contact testing-office@sjsu.edu as soon as possible if you anticipate visa limitations prohibiting you from entering the country in time to make this deadline.

If you plan to take the ELM or EPT exams outside the state of California, including overseas, you must take the exam(s) by Monday, December 1, 2014 and have the scores sent to SJSU as soon as they are available. You must register for the test two weeks prior to this date.

STEP 3 of 4 Sign up for mandatory Frosh Orientation

Freshmen will attend Frosh Orientation on Tuesday, January 13, 2015. Orientation is a mandatory one-day program that will acquaint you with the campus, introduce you to your college and major department, and provide you with critical academic planning information. There is a \$70.00 (USD) non-refundable fee to attend.

You are required to attend the entire program. If you do not attend or leave during any portion of the program, your admission will be withdrawn and you will need to reapply for the next available term.

STEP 4 of 4 Pay for mandatory Frosh Orientation

Once you sign up for Frosh Orientation, you will be directed to pay the non-refundable \$70.00 (USD) fee online via credit card. You will receive an email receipt from our payment system. Save this receipt! It is your proof that you made the payment before the November 15 deadline.

Three to five business days after submitting your online payment, you will receive an email receipt from nextsteps@sjsu.edu that confirms completion of the Next Steps Intent to Enroll process. Print and keep this for your records—you will refer to it when communicating with SJSU staff.

Your receipt will also be posted to your Next Steps account for your reference. If you have do not receive this confirmation within five business days, contact nextsteps@sjsu.edu.

Placement Tests in Math and English

All freshmen are required to complete placement tests in both English and math. These tests are the English Placement Test (EPT) and Entry Level Mathematics (ELM) exam. Students can be exempt from these exams by means of scores earned on other appropriate tests such as the California State University's Early Assessment Program (EAP) tests in English and Mathematics, the SAT, ACT, or Advanced Placement (AP).

Students who are exempt from taking these tests must show proof. Students who have not provided proof of an exemption must take the test(s) by **Friday, January 9, 2015**. Exemptions

To determine if you are exempt from taking the EPT or ELM exam, consult your status in Step 2 of the Intent to Enroll process (<https://nextsteps.sjsu.edu/spring>). If the exemption status displayed in your Next Steps account does not match your actual exemption status, this means that SJSU does not have all of your official test scores on file.

You must send us all official test scores that prove your exemption status or we will require you to take the placement exams. If you still need to take one or both of these exams, register now! Learn more about exemptions at ets.org/s/csu/pdf/csu_information_bulletin.pdf

Importance of exams

Be aware, the scores you earn on the ELM exam and EPT could cause you to be placed into mandatory remedial courses during your first year at SJSU. Since this can impact the length of time it will take you to earn your degree, we strongly recommend that you prepare for these exams. For testing information, email testing-office@sjsu.edu or visit <http://testing.sjsu.edu>

Many new undergraduates in the colleges of Science, Engineering, and Business need to take the Calculus Placement Exam prior to registration. For details, exemptions, and other criteria, visit sjsu.edu/math/calculus

Change of Major

Due to space limits in many SJSU departments, you may not change your major before the term starts. Note that change of major is never guaranteed.

Register for Classes

What will I need to register for classes?

You will need the following

- A file of your SJSU admission information, including admission letters, grade reports, copies of transcripts from other schools, placement test scores, and everything related to your enrollment.
- To register for and attend all segments of the mandatory Frosh orientation.
- The Spring 2015 Schedule of Classes, which becomes available Tuesday, October 28 at <http://info.sjsu.edu>
- The SJSU Catalog for descriptions of classes, major and minor requirements, available at <http://info.sjsu.edu/home/catalog.html>

How do I register?

You will register for classes in your MySJSU student account. For detailed instructions on how to register for classes:

http://my.sjsu.edu/students/student_tutorials/index.html

Do I need an appointment for registration?

- Yes, your enrollment appointment time and any holds are posted at <http://my.sjsu.edu> Read this information carefully. If you have no “holds,” you may begin to register at your appointment time.
- Login to MySJSU, navigate to Self Service > Enrollment > Enrollment Dates, then select a term to view your start date/time for your Enrollment. The SJSU Schedule of Classes has the specific Class Number codes and section numbers you’ll need to register. Read the sections on registration carefully before you register the first time.

When will I get my registration appointment?

Registration appointments will be issued beginning Tuesday, October 28. You will not receive an appointment until we have received and processed all requested documents.

Once I’ve registered, can I change my schedule?

- If your work or family obligations require you to alter your schedule, you may re-enter the system to make changes before the last day of Advance Registration.
- If a course you want is full, search for open sections using the registration system. Or, place yourself on the class waitlist. You are not guaranteed admission into waitlisted courses.

When is Advance Registration?

Tuesday, November 4, 2014 – Monday, January 19, 2015. Be sure to pay your fees by your due date or risk being withdrawn from your classes.

What if I forget to register during Advance Registration?

You may still register, but not until Thursday, January 22, the first day of instruction and the beginning of Late Registration. Late registrants are assessed a \$25.00 late fee. Late registration is dependent on the space available following the “advance registration” period: getting the classes you want may be very difficult.

Can I still get academic advising in Academic Advising and Retention Services if my transcripts have not been fully evaluated?

Yes. The advisors will advise you on general university expectations and graduation requirements including general education course requirements. However, once you get your transcript fully evaluated by Admissions, you must meet with an Academic Advisor again to re-examine your general education checklist and progress toward degree completion because changes to your academic plan may have to be made. This is essential if you plan to graduate in a timely manner. Call AARS at 408-924-2129 to make an appointment after the third week of classes.

Registration Holds

Holds are electronic restrictions that prevent you from registering for classes. Some common holds on registration are:

Tests

You forgot to take the placement test, or it has not been scored and recorded yet. Sorry, you must have test scores on file at SJSU before you may register. Contact the Testing office at testing-office@sjsu.edu

Transcript

You owe us a final transcript or verification of classes. You may lose all of your classes if you fail to turn in these records by the stated deadline. Contact the Admissions office at admissions@sjsu.edu

Prerequisites

You did not take the necessary course to proceed to the next level of instruction. You may be blocked from this course until you show us (or the instructor) that you met the prerequisites.

Health Insurance

You did not purchase health insurance. All international students must purchase health insurance coverage before registering for classes. For more information on how to get health insurance contact International Student and Scholar Services.

International Wire Transfers

International students can now make payments via international wire transfer through their MySJSU account. San José State has partnered with peerTransfer to streamline the tuition payment process for our international students. peerTransfer offers excellent foreign exchange rates, allowing you to pay in your home currency (in most cases) and save a significant amount of money, as compared to traditional banks. You will be able to track the progress of your payment throughout the transfer process via a student dashboard, and you will also be notified via email when your payment is received by SJSU.

There is no fee charged by SJSU or peerTransfer for international wire transfers. The bank you use to send the wire transfer usually charges a fee, so check with that bank for the fee schedule. Learn more at sjsu.edu/bursar/payment_refunds/methods/international_wire_transfer

You are responsible for keeping your MySJSU account current

SJSU has established a business practice whereby all payments apply to the oldest debt on your account. For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancellation.

Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university or its agent has the right to pursue collections in order to repay a delinquent debt owed to the university.

SJSU I-House is located two blocks from campus and is a large comfortable home featuring friendly interaction among students of many cultures. Residents represent approximately 30 countries. In general, residents range in age from 17 to 35 years of age, study in a wide variety of programs offered on the SJSU campus, and enroll in graduate, undergraduate, and English language programs. Accessible Education Center (AEC)

The Accessible Education Center provides academically related services for students with disabilities. To qualify, students must register and create a confidential file with the AEC to receive a wide spectrum of services based on their own individual needs.

Services include, but are not limited to: consideration for priority registration, note takers, readers, sign language interpreters/captioners, test accommodations, academic counseling, general education advising and hands-on training with adaptive technology. Students should provide the AEC with disability verification as soon as possible after applying to SJSU. It is important to make an appointment with the center at 408-924-6000 for review of specific needs prior to registering for classes.
